**English**

**Part 1**

*This week we have been looking at settings. Select a photo from Google or take a photo on your iPad of a favourite destination and describe in detail. Don’t forget to use simile and metaphor in your description. Also using the senses to describe a setting makes it much more memorable. For example: The road was a ribbon of moonlight.*

**Part 2**

**Emma’s secret numbers**

Emma’s teacher was letting the class play a game of ‘Guess My Number’. When it was Emma’s turn she thought she would challenge the class and make them find 8 of her secret numbers.

*You have to find 8 numbers.*

*When the numbers are divided by 3 then multiplied by 8 the answers fall between 156 and 220.*

What are Emma’s 8 secret numbers?
